Honorary Chairman

Dear Tracey,

Just a very short thank you note for bringing so much to the Diamond Ball. You were an absolute riot; we've had non-stop positive comments about your "schtick" and how much you added to the ambience and feeling of the Gala!

Cancer is an important cause and we are grateful you feel that way too. Thank you for helping us raise more than \$200,000.00 for Cancer research and education.

As promised I am enclosing the tape of your duet with Sonny (a.k.a. Arthur Griffiths)! He was a great sport. You were a great Cher!

Hops we will be working together in '98. Thanks once again,  
Tracey.

Best wishes,

Stephanie Nicolls  
Chairman
