To whom it may concern.

My name is Jules Chatel, I am a Caterer and Party Planner based in Vancouver. My clients include many of the more prosperous members of Vancouver society.

I had the opportunity to meet Tracey Bell when she made a surprise appearance as Marilyn Monroe to sing Happy Birthday to the host, at an elegant Birthday Party, which I planned. She was a sensation and I knew instantly that her talent would make an outstanding contribution to a party.

When I needed entertainment for a large private Christmas Party at Whistler, I hired Tracey to perform. The guests were enthralled by the adaptation of her routine to fit the format of the evening and involving them in her acts. Without a doubt she made the party an event to remember.

Tracey is a superb professional and I will certainly use her services whenever possible.

Sincerely,
