Tracey Bell

Dear Tracey,

Thank you so much for your fabulous performances at the Fairmont Chateau Whistler New Years Eve soiree this past week. It was a sensational evening and it was a real pleasure, once again, to work with you Tracey!

Your commitment and enthusiasm for the show was a major component to the success and originality of the program, which was only enhanced by your show stopping performances. Thank you so much for braving the fire performances and trusting me (and the Hotel) with new, if not challenging ideas. Your collaborations and creative input made it all work beautifully! I know that from speaking to the General Manager of the Hotel, everyone was extremely pleased with all of the evening's entertainment and you were such a major part of that success, I must applaud you....Bravo!

As always I have enjoyed working with you Tracey and look forward to the next events coming up. You are so talented and a true professional in every sense of the word. Have a wonderful and prosperous new year.....can't wait to do it again!!

Sincerely
