Dear Tracey,

WOW! Thank you! This was the best holiday party our company has ever had.

Being responsible for planning a party to bring together 100+ employees and their guests, all from different backgrounds and cultures, is one of the most difficult aspects of my job. While attending the Banquet Fair, we heard you start your performance from the other side of the convention center. We were drawn to the stage as was every other person in the place. My boss and I knew the minute we saw you that you we had to have you perform at our company party. To quote my boss the night of the party, "we make a lot of corporate decisions and having Tracey perform was one of the best ever."

It was a pleasure to meet and work with you. Thank you again for making our event our best ever.

Sincerely,
