

## VANCOUVER P & K MERCHANDISING CLUB

Dear Tracey, (or should I say Marilyn?)

**CHER!! LIZ!! MARILYN!!**

**YOU** are Fantastic!!

Never, in the history of the P&K, has any one person set our hearts a racing as you managed to on Monday night!

I can honestly say that you and your outstanding performances were the highlight of our convention! You would not believe the comments I heard and I gave your card out to many admirers!

Thank you from the Vancouver P&K for making our 1995 International convention such a roaring success!!

Regards

Jack Butchart  
convention chairman  
and "buck passers" recipient
